## General Policies

All quoted rates are net. No agency discounts. Advertising rates subject to change. Discounts may be available for multiple issue placements.

**Payment terms.** Payment terms are net 30 days from date of invoice or unless otherwise specified. Rendering invoice to advertising agency at advertiser's request shall not release advertiser in case of nonpayment of agency. Print advertisers receive a tear sheet and sample copy of the publication with each invoice. All Web banner advertisements require pre-payment and will not run unless the payment has been received. All prices are quoted in U.S. dollars and payment must be remitted as same. No foreign currency will be accepted

**Positions.** Only premium print ad positions are guaranteed. All other print ads are placed according to pagination requirements. There are only two positions available for Web ads; advertisers are placed randomly in open slots.

**Liability.** Advertisers and advertising agencies assume liability for all advertising content and are responsible for claims made against the publisher arising from advertising content.

**Publisher's rights.** The publisher reserves the right to reject any advertisement. The publisher also may place the word "advertisement" with copy that, in the publisher's opinion, resembles editorial content. IFMA also may label a Web banner ad with the word "advertisement."

**Advertising contract.** All advertising companies and agencies must sign an IFMA advertising contract to reserve space in FMJ or a Web banner ad on IFMA's website. Insertion orders are accepted but a signed IFMA advertising contract acknowledging and agreeing to IFMA's payment terms and cancellation policy is required to secure ad space. IFMA's terms and conditions take precedence over any other agreement or insertion order. The advertising company named on the contract is aware that if, for any reason, the individual whose signature is on the contract is no longer with the company, the company is still responsible for all fees associated with the agreement.

**Cancellation policy.** To cancel an advertising order, you must submit your cancellation request in writing to corporate connections@ifma.org a minimum of 30 days prior to the reservation deadline or posting date unless specified. Advertisers will be held accountable for all advertising fees if contracts are cancelled less than 30 days before the issue's reservation deadline or specified cancellation date. If you secure space within 30 days of the reservation deadline or after the specified cancellation date, your order cannot be cancelled. The individual who signs the contract signs as a representative of the advertiser's company, therefore the burden of payment lies with the company, not the individual.
